my tutor was very good and helped me out alot . thanks. (Belgrade Schools)	6th
I was really happy with the results. My tutor, Deborah, was able to help me out with my essay. She was very supportive and gave really good comments. I had expected a good feedback from her and that is exactly what I wanted. Overall, her presentation was great. I would recommend her for anyone. (Jack and Sallie Corette Library)	College - Intro
